Law360 (July 29, 2018, 10:02 PM EDT) -- We're pleased to announce Law360's Rising Stars for 2018, our list of 168 attorneys under 40 whose legal accomplishments transcend their age.

After carefully reviewing more than 1,200 submissions for the Rising Star distinction, our team of editors arrived at the list of Rising Stars hailing from more than 80 law firms and spanning 36 practice areas. Winners were selected based on their career accomplishments in their respective disciplines. Profiles of the winners will begin running this week on Law360.

For the second year in a row, [Gibson Dunn & Crutcher LLP](#) and [Kirkland & Ellis LLP](#) dominated the field with eight Rising Stars each. [Jones Day](#) and [Latham & Watkins LLP](#) were not far behind at six apiece, while [King & Spalding LLP](#), [Paul Hastings LLP](#) and [Sidley Austin LLP](#) rounded out the top group with five Rising Stars.

Congratulations to this year's Rising Stars.
