

## WELCOME LETTER

Becoming a success in the business world is not easy, especially for those still learning the ropes. It takes determination, passion and a desire to learn.

truly making New Jersey a great place to work and live.

Nominations for the 2022 Forty Under 40 Awards were submitted by the young professionals themselves, as well as by community members. An independent panel of judges selected the winners based on their excellence in business, commitment to community and professional achievement.

We hope you enjoy reading about what has motivated these young professionals along their career paths so far and join us in wishing them all continued success!

Karren L. Johnson  
Event Supplement Editor

The 2022 Forty Under 40 Awards program honors the Garden State's young professionals who definitely show all this and more—whether starting their own companies, working their way up in family businesses or implementing change and introducing fresh ideas to firms that have been around for decades. This diverse group of individuals represents industries ranging from health care and law, to banking and accounting. And they are
