Board Member Training's Moment has Arrived

Publication

9.01.26

Steven G. Mlenak's article from *Community Trends*, the publication of the New Jersey chapter of the Community Associations Institute, "**Board Member Training's Moment has Arrived**," focuses on proposed New Jersey legislation that would require newly elected or appointed community association board members to complete mandatory training. The article discusses CAI-NJ's efforts to shape the legislation and promote its existing Board Leadership Development Program as a model for the required training.
