Steven Nudelman, Chair of the firm's Construction Contracting & Risk Management Practice Group, will serve as a panelist for a "Construction Contract Workshop," to be presented as a live webinar by Halfmoon Education Inc. on Thursday, December 1, 2022, from 9:30am - 5:30pm (ET).

The comprehensive agenda for this full-day program is as follows:

Mr. Nudelman is a partner in the firm's Litigation and Real Estate Departments, concentrating his practice in construction law. For over 25 years he has represented members of the construction industry across a broad spectrum of matters. On the transactional side, Mr. Nudelman works with owners and developers, construction managers, general contractors, subcontractors and design professionals to prepare and negotiate contract documents for construction in the New Jersey and New York metropolitan area. His construction contracting work helps his clients manage the risk inherent in construction projects so they may adequately protect their interests now to avoid claims and disputes in the future. When claims and disputes are unavoidable, Mr. Nudelman draws upon his wide-ranging experience in construction litigation, representing clients in state and federal courts throughout the New Jersey/New York metropolitan area, as well as in local and international mediations and arbitrations.
