Announcement

4.22.26

We are pleased to announce that Greenbaum, Rowe, Smith & Davis LLP has been selected for inclusion on the 2026 NJBIZ Leaders in Real Estate, Construction and Design list.

The firm, which is proud to be the only law firm recognized as an organization on this year's list, will be honored at the Leaders in Real Estate, Construction and Design Awards ceremony on Tuesday, June 9, 2026, at The Doubletree by Hilton in Somerset. According to *NJBIZ*, the awards celebrate individuals and companies who are changing New Jersey's commercial real estate landscape through development, design, construction, project management, and more.

Greenbaum's real estate practice is a foundational element of the firm's history and its future. Our attorneys' deep knowledge of New Jersey's unique real estate landscape, and involvement in countless complex and high-value transactions across all sectors of the market, has earned the firm a position of prominence within the state's real estate and business communities.

Our team represents clients in the acquisition, disposition, leasing, financing, construction, renovation and "greening" of commercial, industrial, and residential real estate throughout New Jersey. Our work on behalf of buyers, sellers, lenders, borrowers, landlords, tenants, investors, entrepreneurs, and public and private REITS encompasses the full range of issues related to both routine and highly complex real estate deals. Recent notable representations include advising The Lions Group on a 360-unit mixed-use project in Jersey City, the Ramani Group on a 1,300-unit mixed-use project in Plainfield, and CT Realty in the $200M+ redevelopment of a former Pennsville power plant into a distribution complex.

Additional information related to the methodology used to select honorees for inclusion in the Leaders in Real Estate, Construction and Design Awards is available on the NJBIZ website.
