Weather Climate Change and the Law

Seminar or Event

4.27.21

Event Sponsor: *New Jersey Institute for Continuing Legal Education*

Live Webinar

9:00am - 12:00pm

Maura E. Blau, Counsel in the firm's Environmental Department, will be on the faculty for the live webinar "Weather Climate Change and the Law," to be presented by the New Jersey Institute for Continuing Legal Education on Wednesday, April 28, 2021 from 9:00am - 12:00pm.

The program agenda will address the following topics:

Ms. Blau counsels clients on a broad range of environmental and energy related matters. She has a longstanding interest and particular practice focus with respect to alternative energy, sustainable building initiatives and climate change issues. Her experience includes solar energy and cogeneration/combined heat and power (CHP) projects. She closely follows related legislative and regulatory developments at the state, federal and global levels, and played a role in crafting the New Jersey Energy Master Plan as an engineer with the former NJ Department of Energy. She has also completed coursework in Climate Change Law at Pace Law School, offered as part of its environmental LLM curriculum.

Ms. Blau is Co-Founder and Former Co-Chair of the New Jersey State Bar Association Special Committee on Renewable Energy, Cleantech and Climate Change, Past Chair of the New Jersey State Bar Association Environmental Section, and a member of the NJDEP Site Remediation Program Steering Committee.

Additional information and registration can be found on NJICLE's website.
