Who's Who Legal Recognizes Greenbaum Attorneys in 2023 Global Guides

Announcement

9.18.23

Greenbaum, Rowe, Smith & Davis LLP is pleased to announce that six of the firm's attorneys have been recognized by *Who's Who Legal* (WWL - a publication of Law Business Research) in the 2023 editions of its Global Guides covering various areas of practice.

WWL: Construction 2023 Edition

Dennis A. Estis and **Steven Nudelman** are listed in WWL: Construction, which selects lawyers for their "experience and expertise in resolving complex multi-jurisdictional construction disputes through litigation, mediation and arbitration."

WWL: Environment & Climate Change 2023 Edition

David B. Farer is listed in WWL: Environment & Climate Change, which lists practitioners whose "expertise spans the full range of environmental issues, from waste management and contaminated sites to energy and mining projects, as well as leading climate change lawyers."

WWL: Real Estate 2023 Edition

Martin E. Dollinger, **Jack Fersko** and **Lydia C. Stefanowicz** are listed in WWL: Real Estate, which identifies lawyers with "a proven track record in providing advice to clients incorporating tenants, investors and developers on all aspects of buying, selling, letting, developing and managing real estate."

Who's Who Legal states that its findings are based on recommendations and feedback from eminent private practitioners in the sector or industry in question as well as from corporate counsel or other clients who have worked closely with the nominees. The publication's complete research methodology can be viewed on the Who's Who Legal website.
